## The Breath of Life

"But if you remain in me and my words remain in you, you may ask for anything you want, and it will be granted! When you produce much fruit, you are my true disciples. This brings great glory to my Father. I have loved you even as the Father has loved me. Remain in my love. When you obey my commandments, you remain in my love, just as I obey my Father's commandments and remain in his love. I have told you these things so that you will be filled with my joy. Yes, your joy will overflow!

John  
15:7-12  
(NLT)

This is my commandment: Love each other in the same way I have loved you."

### The Estate of Carson Oliver

This well-appointed 4 bedroom, 3 bathroom home offers approximately 2,800 square feet of living space, including a partially finished drive-out basement that adds versatility and room to grow. The home features a desirable split bedroom floor plan, providing comfort and privacy for the whole family. Inside, you'll find both a spacious living room with a cozy fireplace and a large den—perfect for entertaining or relaxing. A bright sunroom with abundant windows offers a peaceful space to enjoy the natural surroundings. With multiple living areas and thoughtful design throughout, this home combines functionality and charm in every corner.

## America's Heroes

### Upcoming National Museum To Honor All Soldiers

(NAPS)—If you or someone you know is a soldier, Army veteran, Army family member or other proud military supporter, you can become a permanent part of history at the National Museum of the United States Army.

An historic project led by the Army Historical Foundation and the U.S. Army, the Museum is going up at Fort Belvoir, Va., just south of Washington, D.C.

"We are proud to build a national museum that will tell the history of the

### You can be part of the National Museum of the United States Army.

Army—and our nation—through the eyes of American soldiers," said Foundation President U.S. Army Retired Lt. Gen. Roger Schultz. "The timeline for opening the Museum was delayed because of the COVID-19 pandemic, but we promise it will be worth the wait."

To be included in the Museum's story, soldiers and Army veterans can submit their stories of service in the Registry of the American Soldier, which will be one of the largest collections of American Soldier profiles ever assembled. Stories can also be submitted on a veteran's behalf, at no cost. The Foundation currently features the Registry on its website and the collection will be made available on kiosks in the Museum. Stories can be submitted at [www.armyhistory.org/the-registries/](http://www.armyhistory.org/the-registries/).

Members of the Army community can also be a permanent part of the Museum by ordering a customized commemorative brick to be laid on the grounds of the Museum. More than 8,000 bricks have already been installed, honoring soldiers from all 50 states. Among the bricks are those for such well-known Army veterans as Senator Bob Dole and General Eric Shinseki. Individuals and organizations can order bricks at [www.armyhistory.org/bricks](http://www.armyhistory.org/bricks).

To stay up to date on the project, including announcements about opening day, visit [www.armyhistory.org](http://www.armyhistory.org).

## WTF fun fact #8225

1 dog year isn't equal to 7 human years. Dogs don't age parallel to people, they actually age more quickly at first, then slow down. Depending on their size and breed, a 1-year-old dog is about the same as a 15-year-old person, a 2-year-old dog is like a 24-year-old person, and every year after that is equal to about 4-6 human years.

### MATTHEW 6: 1 - 4

"Watch out! Don't do your good deeds publicly, to be admired by others, for you will lose the reward from your Father in heaven. When you give to someone in need, don't do as the hypocrites do - blowing trumpets in the synagogues and streets to call attention to their acts of charity! I tell you the truth, they have received all the reward they will ever get. But when you give to someone in need, don't let your left hand know what your right hand is doing. Give your gifts in private, and your Father, who sees everything, will reward you."

**ISAIAH 40: 28 - 31**  
Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

## PSALM 103: 6 - 12

The Lord works righteousness and justice for all the oppressed. He made known his ways to Moses, his deeds to the people of Israel: The Lord is compassionate and gracious, slow to anger, abounding in love. He will not always accuse, nor will he harbor his anger forever; he does not treat us as our sins deserve or repay us according to our iniquities. For as high as the heavens are above the earth, so great is his love for those who fear him; as far as the east is from the west, so far has he removed our transgressions from us.

# ONLINE ONLY COURT ORDERED AUCTION

## Home & Extra Lot w/ Garage

### BIDDING ENDS: TUESDAY • AUGUST 5 • 10 AM

**OPEN HOUSE:**  
**TUESDAY • JULY 22 • 4-6 PM**

Up for auction is a charming 2 bedroom, 1 bathroom brick home situated on 0.41 ± acres in a well-established subdivision just minutes from downtown Cookeville, TN. This home features 1,485 square feet of living space with spacious rooms throughout and a sunroom, perfect for relaxing or entertaining. The home is well-built and has great bones—ideal for someone looking to update or personalize. Also selling is the adjacent 0.41 ± acre lot, which includes a detached garage, offering extra storage or workshop potential. Whether you're looking for a full-time residence, an investment opportunity, or additional space, these two tracts provide flexibility and value in a convenient location.

## Hints For Homeowners

### Work At Home In Comfort And Safety

(NAPS)—According to Darrell Smith, executive director of the International Window Film Association, window film makes a lot of sense for homeowners eager to save money on their energy bills.

“Solar-control films can block as much as 80 percent of the solar heat coming through glass into a building, decrease the heat load on the air-conditioning system and reduce energy costs,” Smith says.

**Window film can be a bright idea for home workers and students, as it blocks UV rays, saves on cooling costs and lets in natural sunlight.**

With more people working and studying from home, window film allows in abundant natural sunlight while blocking 99 percent of the sun's harmful UV rays to better protect the skin (from possible cancer) and eyes (from cataract development), while reducing the fading of floors and furnishings. Smith estimates that 40 to 60 percent of color fading is caused by UV exposure. Windows may also be upgraded for safety, as window film helps to hold glass pieces together if the window is impacted and broken.

For even a 3,000 square foot home, window film may be installed in a day or less with minimal disruption. Window film installers clean the glass before installation, keep the work space clean and practice safe contact as recommended by the Centers for Disease Control. Find a local dealer/installer at [www.iwfa.com](http://www.iwfa.com).

### 1 CORINTHIANS 13: 4 - 8, 13

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails...And now these three remain: faith, hope and love. But the greatest of these is love.

Good times, bad times, there  
will always be advertising.  
In good times people want to  
advertise; in bad times they  
have to. - Bruce Barton

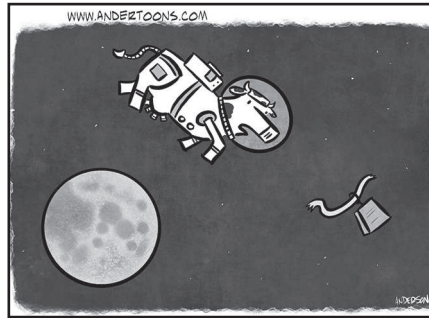

It is only when  
we give that we  
truly live.  
- Pastor Bobby Davis

"Many of us struggle through difficult times and painful days because of past memories. We recall with pleasure what God has done in the past with gratitude - knowing that it was His mercy and grace that enabled us to get through difficult days and long nights. Because of those joyous memories, we base our hope in Him that He will shepherd us through dark valleys and sunless days. In Psalm 85 our author is apparently reflecting on a loss suffered by Israel in a military battle. They looked at their loss as punishment from God. But the Psalmist does not focus on the loss, he focuses on the fact that God has brought them out of captivity in the past and forgave them of their sins. With confidence and boldness he says, "Restore us again, O God, our Savior." The message for us to take away from this Psalm is that in times of depression, defeat and darkness we must remember God's grace in the past and pray in the present for His restoration. Sometimes when we look at our past and are buried with the guilt of our sins we are fearful of going to God and asking for His grace in these moments. We feel that we are undeserving and unworthy. We approach His throne of grace in fear and trembling, wondering if we have any right to ask for forgiveness, cleansing and restoration. But when these thoughts plague us, we must remember that God's judgment is always tempered by His mercy and He will always forgive us, restore us and revive us again.

"Hey diddle diddle, we have a problem."

## Plastics Disposal

**by Lisa Luck**

Plastic is the most versatile material ever invented. Primarily made from petroleum products such as natural gas, coal or crude oil, it can be formed and molded into unlimited sizes, shapes, colors or strengths. Mass production of plastic products ushered in the age of consumerism. Plastic products shaped into furniture, dishes, bottles, and later nylon, allowed even those who "have not" to "have," as products were much less expensive to acquire than those made from animal horns, turtle shells or rubber. Plastic products replaced many of those made from metals which was needed for World War II efforts. Although plastic can also be made from cellulose from plants, it is much more commonly made from fossil fuels.

If it sounds too good to be true – it's because it is. Proper disposal of products made from plastic was not considered during the manufacturing process. Plastic products were discarded along with other materials and either burned, buried or put into landfills. In the 1970's, the concept of recycling plastics was introduced as scientists noticed it was accumulating in our oceans. Efforts to recycle plastics have not been successful and less than 10% of all plastic ever made is recycled. Even the plastic that is recycled once or twice still goes to the landfill. The worst kind of plastic for the environment is the kind that is made for single use. Packaging used to store a serving of water or food is discarded within minutes after being opened. The increase in use of single-use plastic is responsible for the rise in plastic pollution.

Plastic does not decompose once it is discarded. It breaks down into microplastics and nanoplastics. Nanoplastics cannot be seen with the naked eye and can travel through the air and water. Plastic particles are not only found in our oceans, but can now be found in the bodies of all living things. We all contain plastic because we eat it in our foods, drink it in our water, and breathe it from the air.

Recycling plastic was the recommended method of managing plastic waste. However, the consensus is that plastic waste cannot be easily managed through recycling. The only other alternative is to stop using plastic whenever possible. Buy products that can be used a lifetime instead of just once. A stainless steel thermos can be washed and reused. Avoid Styrofoam to-go boxes and cups by taking your own stainless steel or ceramic containers or cups with you. Styrofoam is one of the worst plastics because it breaks down so easily in the environment. In addition, it leaches chemicals into foods or beverages. Purchasing plastic made from plant cellulose rather than cellulose from fossil fuels will decrease your exposure to plastic and decrease the amount of plastic waste that accumulates on earth.

It is estimated that more than 440 million tons of plastic are produced annually. Most of this will become part of the pollution problem unless we refuse to use plastics. Look for substitutes. Avoid plastic products whenever possible.

## ROOTED IN TRUTH

When a child enters our doors, they step into a  
Christ-centered home built on relationship,  
safety, and belonging.

Here, they're not just placed. They're planted.

Rooted in truth.  
Restored through love.  
Renewed with purpose.

WHAT DOES  
INSTABILITY DO  
TO A CHILD'S  
HEART?

TOO MANY  
CHILDREN  
HAVE NEVER  
KNOWN WHAT  
IT FEELS LIKE  
TO BELONG.

## GROWING IN PURPOSE

MOST KIDS IN FOSTER CARE  
MOVE **8+** TIMES.  
SOME, NEARLY **40**.

Each move  
chips away at  
trust, learning,  
and healing.

AT MSR, LOVE DOESN'T CLOCK OUT.

We place full-time  
houseparents in each  
home—because love  
needs roots to grow.

Stability is more than structure.  
It's someone who stays.

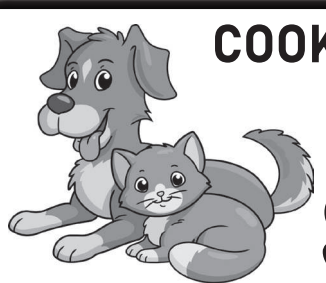

Children thrive when they're seen, known, and safe.

## Energy at rest or in motion?

The meaning of life....a more profound statement could never be asked. Why are we here? Is there more to our lives than just the physical experience in this body?

- Life is not just comprised of our physical experience. Just trace your own personal arrival into this world. What a miracle the birth of a child truly is. Go back even farther....conception. The dynamics involved in the division of cells into a mortal, emotionally charged person.

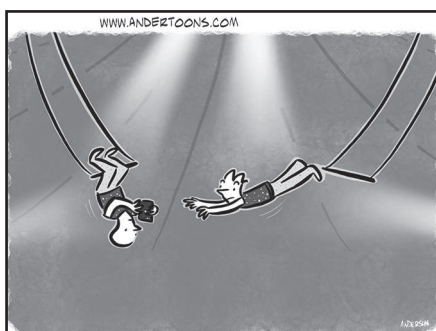

- Okay...so what, you say. Let's break it all down into a science of sorts. You realize that we are all composed of energy. Energy is what makes cells divide; energy is what makes muscle twitch and move; energy flows through our brains and fires off signals millions or more times a day. If energy is what we are composed of and energy is the force of the universe, then why are there so many people groups that just don't seem to move beyond the now into the future. Why is there poverty? Why are there uneducated people? Why are there groups of people that have been left behind in the stagnant pool of technology? Why is there war? If energy moves us from here to there and energy is what transforms our lives from the simple to the complex; why can't the world as a whole grow together in unity.

- Webster's Dictionary defines energy as: **"vitality in expression; the capacity for action or accomplishment; the work a physical system is capable of doing in changing from its actual state to a specified reference state."** There it is....in layman terms, it's the capacity for action, the work a system (or person) is capable of doing in changing from their actual state to a new state. That tells me that we are all responsible for starting at one place and finishing at a better place.

- If this is the case...we still haven't answered the previous questions as to why there are those that don't change, while others do. The definition of systems can help us answer that. A system is a group of interrelated parts that form a complex whole. If the parts are not working together, then the whole system will not work towards a unified goal. This pretty much answers the why's? of this world. It answers the question of poverty versus prosperity; technology versus the lack of technology; education versus despair.

- We must decide as a people group- Asian, European, Africa, American, Australian, Canadian, etc... to work as a system. We are all created in God's image, with his energy and love inside of us. We must determine to use that power for unification, prosperity, education, and peace for all. When our system works together, when we harness our combined energies together, we can accomplish all of this and more. We are all the same.

-God intended for us all to live in unity. He intended for us to use our energies to move from the now to our finished, glorified state. We can accomplish this faster....together!

## Steak and Broccoli Stir Fry

This steak and broccoli stir fry is quick and delicious. In a sauce with ginger, honey, soy sauce, and sesame oil, it's loaded with flavor. Serve over rice.

By Shelia Johnson

### Ingredients

- 2 tablespoon grapeseed oil or other cooking oil
- 1 pound ribeye steak, cut into bite-sized pieces
- salt and freshly ground black pepper to taste
- 1 cups soy sauce, or more as needed
- 1/2 cup honey
- 1/4 cup sesame oil
- 4 garlic cloves, chopped
- 2 tablespoons fresh ginger, chopped
- 1 shallot, chopped
- 1 1/2 cups fresh broccoli florets
- 2 green onions, chopped, for garnish

**Prep Time:** 10 mins  
**Cook Time:** 15 mins  
**Total Time:** 25 mins  
**Servings:** 4

### Directions

#### Step 1

Heat grapeseed oil in a cast iron skillet over medium heat. Season steak with salt and pepper.

#### Step 2

Add steak to skillet and cook for 1 to 2 minutes on each side. Remove from heat and set aside.

#### Step 3

Whisk soy sauce, honey, sesame oil, garlic, ginger, and shallot together in a bowl. Pour sauce into the skillet and bring to a gentle simmer. Add broccoli and cook for 2 minutes.

#### Step 4

Add steak back into the skillet; cook until hot, 1 to 2 minutes. Sprinkle with chopped green onions to serve.

**ROMANS 10: 8 - 12**  
"The word is near you; it is in your mouth and in your heart," that is, the message concerning faith that we proclaim: If you declare with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved. As Scripture says, "Anyone who believes in him will never be put to shame." For there is no difference between Jew and Gentile - the same Lord is Lord of all and richly blesses all who call on him,...

# Pick & Choose

We all have our favorite things in life. Some of those might be favorite foods, activities, places to visit, people to spend time with, and sports. The list of favorite things in life is very long. When we go to a buffet restaurant, we can pick and choose what we want to eat and what foods we choose not to eat. The freedom to choose is an important part of our lives in many ways.

When it comes to choosing how to live our lives, these choices take on a much greater level of importance. Our choices have a significant impact on our successes, failures, and the overall quality of our lives. God knew when He created mankind that we would need His guidance so we can live a peaceful, joyful, and fulfilled life. This guidance is found in God's Word. Living by God's plan, as found in His Word, gives us a better result than trying to do it our way.

The Bible is a book with directions on how to live life. Directions for life in His Word are not pick & choose - we are called to

live by ALL of it. Some of those directions are simple and not difficult, such as believing in Jesus as our Lord and Savior. Having the Holy Spirit to encourage us and guide us is also fairly simple to embrace. Other parts of Scripture that refer to discipline can be unpleasant and difficult at times. Proverbs 3: 11-12 tells us "My son, do not despise the Lord's discipline, and do not resent his rebuke, because the Lord disciplines those he loves, as a father the son he delights in." The main point is this: God's Word is an entire package, and it functions that way. If we only embrace the parts that we like and discard the parts that we don't like, the effect reduces our blessings. What we all need to do is to pray to God daily, in the name of Jesus Christ our Savior, for the strength and ability to live His Word and apply it. When we fall short, as we all do, then we ask Him for forgiveness, and continued help to live better every day. Remember, God's love and patience with us is abundant and His mercies are new every day.

*"...for all have sinned and fall short of the glory of God, and all are justified freely by his grace through the redemption that came by Christ Jesus."*  
- Romans 3: 23-24

1 JOHN 3: 16 - 19

This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth.

This is how we know that we belong to the truth and how we set our hearts at rest in his presence:...
